

PRECISION PADDLE BOARDING

BOOKING TERMS & CONDITIONS

Lessons can be booked via the online booking platform at Precision Paddle Boarding's (PPB) website www.precisionsuptas.com.au (the website).

Please read the Participant Declaration form (Disclaimer) on the website so you are informed of the obligations before you book a lesson (including point #10 regarding your reporting rights). If you require clarification please send an email to info@precisionsuptas.com.au. It is your obligation to complete the form before the commencement of the lesson.

Please allow 24 hours notice for booking/re-scheduling a lesson.

Cancellation:

We understand cancellation of a booked lesson is unavoidable due to changing circumstances for students. If possible, please allow 24 hours notice in order to provide an opportunity for another student to book the lesson, and to facilitate our daily/weekly planning.

Change of lesson venue or re-scheduling:

Lessons are dependant on weather conditions to ensure safety. We will notify you if the lesson is to be re-scheduled or is moved to the alternative venue of Cremorne Lagoon for safety reasons.

Please note: Notification by Precision Paddle Boarding of re-scheduling or change of venue will occur 8pm the evening before the booked lesson.

Please ensure you include your mobile number in order for us to contact you if there is a change of venue or date.

Gift Vouchers:

Gift vouchers are valid for one year from the date of issue, and are redeemable for the lesson only.
